Dear Paul

City Church Centre – Fitting of carpets

Just a short note to say thank you for providing the carpets for the centre, they have transformed the appearance of the centre together with the redecoration.

It was a pleasure to spend some quality time with you, especially at Steeles!! And you will be our first call when we next have carpet requirements.

Also if you could pass on our appreciation to Andy and Darren the next time you see them, they were a pleasure to work with!!

God bless and many thanks

Yours Sincerely

John.
